## **ORDER OF THE BARRIER FREE DESIGN BOARD**

**Project No.: PR2019BFD-000009**  
**Ronin Sushi**  
**Use Group: A-2**

**326 W. Fourth Street**  
**Royal Oak, MI**  
**Oakland County**

On November 14, 2019, the Barrier Free Design Board reviewed Mr. Mark Provenzano's Application for Barrier Free Design Rule Exception for Ronin Sushi for relief from the requirements of Sections 1104.3.1 and 1109.8 of the 2015 Michigan Building Code (MBC), received June 13, 2019 and all supplemental materials. This order is issued pursuant to Section 5(6)(a) of 1966 PA 1 and 1972 PA 230.

**FINDINGS AND CONCLUSIONS:** Mr. Provenzano, Caspian/Columbia Construction Group, Inc., and Mr. James Hayosh, Owner of Ronin Sushi, attended the meeting on the above noted date and provided testimony for the review. Following discussion, the Board moved to deny the exception application in accordance with the Administrative Law Judge's proposed decision since removing an element of accessibility is not acceptable.

**THEREFORE,** it is the order of the Board to deny relief from the requirements of Sections 1104.3.1 and 1109.8 of the 2015 MBC. A judicial review of this decision may be requested in accordance with the Administrative Procedures Act, 1969 PA 306.
